

What You Don't Know About Online Marketing: A One Day Intensive Workshop for Entrepreneurs and Website Owners

Dear Fellow Entrepreneur and Website Owner,

Get out a big **RED** marking pen and a calendar and immediately **block out June 30th for an eight hour intensive workshop** that promises to turn your website on the fast track for new business and leads and show you exactly what you need to do step by step to dominate your market fast!

Join online business expert Nicole Munoz just north of San Diego in the beautiful city of Del Mar for a four hour introduction to online marketing specifically geared for those who are ready to start making money online today! The four hour introduction is followed with an advanced four hour workshop where you will learn a doable internet marketing strategy that will help YOU to **dominate your market** TODAY!

This is an amazing opportunity to learn cutting edge strategies that many online marketers WISH they knew. Ever felt like you are just spinning your wheels? That you are just on the edge of success with your website... if only you could figure out this SEO thing? Heard about Social Media Marketing but not interested or don't have the time to figure it out? Now is YOUR time! Learn how to work smarter (not harder) and double your prospects and customers at the same time!

Here is a promise: The strategies you will learn in the workshop will be so EASY to implement, that you will feel GUILTY for leaving your competitors so far behind in the dark ages! Your family will wonder if you still have a job as they see you spending so much more time with them once you are able to do the things you want to do WHEN you want to.

OK So What Am I Going To Learn?

How to Get Your Business Online in Less Than 15 Minutes For FREE

If you bring your laptop you will be able to follow the simple steps presented to get your business ONLINE even if you don't have a website. For those of you who are asking: No this does not involve purchasing a domain or hosting, choosing a template and trying to find a web designer! Leave your wallet in your pocket, this 40 minute presentation will show you where and how to start promoting your business online immediately!

How to Get Traffic To Your Site in One Hour a Day

Here you will learn a simple step by step guide to traffic building that you can implement in only 1 hour a day. Learn the secrets of easy to implement strategies that all the top internet marketers know and use every single day. You will be shown the exact way to correctly build traffic to your site. Avoid making newbie mistakes and get a flood of visitors to your site in days!

How to Be a Social Media Expert in 20 minutes a Day

Learn what this thing is called Social Media and become an expert in NO TIME FLAT! We will walk you through twitter, facebook, digg, delicious, LinkedIn, and other social media sites. We will show you the sites you need to focus on, and the ones that are a flat out waste of time. We will show you a simple way to make sure you are not a victim of Social Media Identity Theft. Learn what smart companies know about reputation management and managing customer service via social media outlets.

How to Put Your Email Campaign on Auto-Pilot in less than 2 Hours

Learn how to set up a successful email campaign from start to finish. We will walk you through the steps. Learn what to say in your emails and how to monitor if an email campaign is successful. Find out what smart marketers already know: The Money is In the List! Learn how to grow your list in record time even if you are starting at ZERO subscribers.

Search Engine Optimization Strategies For FAST Online Success

We will quickly cover the basics of onsite and offsite optimization and then advance to cover advanced link building strategies. Learn the FREE tools that are available on the internet that you can easily use to analyze your site for some of the best basic SEO errors that MANY website owners are committing every single day.

Blogging as a Marketing Strategy That Takes Up Less Time than Your Morning Brew

Don't know what a blog is? Don't worry. By the end of this class you will not only know [continues on other side...]

what a blog is, but a proud owner of one! Learn how you can get started blogging today for **FREE**. Learn how to set up your blog correctly so that search engine spiders will keep coming back again and again. Amazing super secret strategy that got our website ranking in MINUTES will be revealed!

Using Web 2.0 Properties for Traffic and Linking

The year 2009 is the Link Builders Paradise! Learn the latest cutting edge strategies for building links FAST using FREE web 2.0 properties. Learn how to link correctly and the RIGHT way to link. This is going to be one of the most awesome classes as it is going to REVEAL to you our EXACT strategies for link building and getting TOP rankings FAST.

How to Get Top Rankings in Local Search Results

It just isn't over if we don't show you how to rank in the Local Search Results. Learn how an Encinitas Realtor started ranking in the Local Search Results in just a few DAYS. If you don't learn anything else, this one strategy will help you to boost your site to the top of the search engines and give you a huge ROI.

Ok, So What's This Going To Cost Me?

There are 3 Options! You can choose to attend JUST the Morning Session, JUST the afternoon session, or BOTH sessions. First the Morning Session:

Morning Session Includes:

- How to Get Your Business Online in Less Than 15 Minutes For FREE
- How to Get Traffic To Your Site in One Hour a Day
- How to Be a Social Media Expert in 20 minutes a Day
- How to Put Your Email Campaign on Auto-Pilot in less than 2 Hours

Even just ONE of the above courses is worth at least \$200 of time saved! Included with the morning session of the intensive training workshop, you will get a workbook style handout of all of the presentations. You get all of the above for the low price of **\$397**.

Afternoon Session Includes:

- Search Engine Optimization Strategies for FAST Online Success
- Blogging as a Marketing Strategy That Takes Up Less Time than Your Morning Brew
- Using Web 2.0 Properties for Traffic and Linking
- How to Get Top Rankings in Local Search Results

Many people have paid over \$8,000 per YEAR to learn some of the strategies that you will be learning in the afternoon session of the intensive training workshop. Be one of the FIRST people to learn these cutting edge strategies and dominate your market and online presence in DAYS. Also included is a workbook style handout of all of the presentations. You get all of the above for the low price of **\$397**.

Both Sessions Include:

All 8 Classes Listed Above

Also included is a workbook style handout of all of the presentations. You get all of the above for the low price of **\$697**. Save \$100 if you order both sessions!

Still NOT Convinced that this Intensive Internet Marketing Training Workshop is For You?

Let us make it WORTH Your Time! If you are not convinced right NOW that we are going to be able to offer to you enough high quality information that you will be able to implement then attend the FIRST TWO HOURS FREE! If after the first two hours, you are not absolutely convinced that the information provided is going to help you achieve your goals and if you cannot see the absolute value in what you are learning, you can LEAVE without owing ONE DOLLAR! All that we ask is that you reserve your spot with a \$100 deposit. If you decide to leave, we will immediately credit you back your deposit. If however you can see the immense value in what you will be learning and choose to STAY, your deposit will count towards the cost of one or both of the sessions!

Look, we KNOW you are busy. The life of a business owner is tough! We want to make your success as easy as possible. For those who complete the either one or both of the training sessions, you are ALSO going to receive the following:

Bonus 1: Access to the MEMBERS site of StartRankingNow.com where you can get Members ONLY pricing to put into ACTION the things you learned at the workshop. Up till now, this was a privilege a VERY Select Few have been able to access.

Bonus 2: \$50 in CREDIT towards Traffic Building SEO Services provided by our sister site StartRankingNow.com

Bonus 3: Access to our Private Forums where our Staff and experienced SEO experts can answer your traffic building questions. FREE for 90 days.

FAST ACTION BONUS: This Bonus is ONLY for the First 10 to respond.

To the First 10, we will be building you a brand new SEO friendly blog with 5 pages of unique content on any family friendly topic of your choice on your own domain and your own hosting. (You must purchase domain and hosting separately). Act FAST as this offer is ONLY valid for the first **10 to sign up! This alone is worth the cost of the course!**

Bring a Friend (or employee) Bonus: As Michael Gerber says, you should be "Working ON Your Business, and Not IN Your Business". We know how important it is for business owners to be able to train each aspect of their business to their employees so that is why we are offering an employee bonus. You can bring ONE friend or employee for only \$100 more.

My Final Thoughts

When you consider everything that is being included and offered, \$697 for 8 hours of Intensive Internet Marketing Training is an incredible deal! As most smart business owners do, with everything the Return on Investment (ROI) must be considered. If you only implement one or two of the strategies outlined in the workshop, your ROI is going to be amazing. Learn to dominate your market today!

To Your Success,
Nicole Munoz
